

COMMEMORATING THE 33RD ANNIVERSARY OF THE TAIWAN RELATIONS ACT

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 29, 2012

Mr. TOWNS. Mr. Speaker, I rise to commemorate the 33rd anniversary of the enactment of the Taiwan Relations Act.

Since the end of World War II, the United States and Taiwan have fostered a close relationship that has been of enormous strategic and economic benefit to both countries. When the United States shifted diplomatic relations from Taiwan to the People's Republic of China in January 1979, Congress moved quickly to pass the Taiwan Relations Act (TRA) to ensure that the United States would continue its robust engagement with Taiwan in the areas of commerce, culture, and security cooperation. With President Carter's signature on April 10, 1979, this important and lasting piece of legislation became the Law of the Land and served as the statutory basis for U.S.-Taiwan relations going forward.

After 33 years, the TRA still stands as a model of congressional leadership in the history of our foreign relations and remains the cornerstone of a very mutually beneficial relationship between the United States and Taiwan. Through three decades marked by momentous social, economic, and political transformations, Taiwan has remained a trusted ally of the United States that now shares with us the ideals of freedom and democracy. The foresight of the TRA's drafters in providing that "the United States will make available to Taiwan such defense articles and defense services . . . to enable Taiwan to maintain a sufficient self-defense capability," and affirming "the preservation and enhancement of the human rights of all the people on Taiwan" as explicit objectives of the United States, has contributed in large measure to make Taiwan what it is today—a vibrant, open society governed by democratic institutions.

Though the people of Taiwan now enjoy fundamental human rights and civil liberties, they continue to live day after day under the ominous shadow cast by over 1400 short and medium-range ballistic missiles that the People's Republic of China (PRC) has aimed at them. The PRC persists in claiming Taiwan as a "renegade province," refusing to renounce the use of force to prevent formal *de jure* independence, even codifying its right to military action via passage of the so-called "Anti-Secession Law" on March 14, 2005. The United States Congress strongly condemned the "Anti-Secession Law" in House Concurrent Resolution 98, passed on March 16, 2005.

The TRA affirmed that the United States' decision to establish diplomatic relations with the People's Republic of China was based on the expectation that the future of Taiwan would be determined by peaceful means. Furthermore, it stipulates that it is the policy of the United States "to consider any effort to determine the future of Taiwan by other than peaceful means . . . a threat to the peace and security of the Western Pacific area and of grave concern to the United States." The unambiguous and principled stance contained in these provisions has been instrumental to the maintenance of peace and stability across the Taiwan Strait for more than thirty years.

I therefore invite my colleagues to join me in commemorating the 33rd anniversary of the

TRA, to further underline our unwavering commitment to the TRA and our support for the strong and deepening relationship between the U.S. and Taiwan.

TO AMEND THE WAGNER-PEYSER ACT TO INCLUDE THE COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS IN THE EMPLOYMENT SERVICES PROVIDED UNDER THAT ACT

HON. GREGORIO KILILI CAMACHO SABLÁN

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 29, 2012

Mr. SABLÁN. Mr. Speaker, I am introducing a bill that will allow the Northern Mariana Islands to be eligible for Employment Service Programs by amending the Wagner-Peyser Act of 1933, as amended by the Workforce Investment Act of 1998.

The Employment Service Programs provide funds to establish a nationwide system of public employment offices and One-Stop Career Centers across the United States. These centers have successfully connected millions of job seekers with employers throughout the 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam. The legislation I am introducing today, in remedying the statutory absence of the Northern Mariana Islands from the definition of "State," will allow for the expansion of the federal Employment Service network to the NMI, thereby contributing to both the local and National economy by supporting the development of an experienced, motivated, and most importantly, employed American workforce.

Should the Commonwealth government choose to apply for this grant, the funds could be used to stand up One-Stop Centers in the NMI that would help those searching for work find jobs and help local employers find qualified workers. These Centers provide services that have a proven record of success in hundreds of locales throughout the United States.

Our national economy is still pulling itself out of the deepest recession since the 1930s. The economy in the NMI is in even worse condition, however, with declines in GDP every single year since 2004. This bill provides for the possible extension of a federal program that is helping address unemployment around our Nation to the one place, perhaps, that needs help the most, the Northern Marianas.

The employment services the Wagner-Peyser programs provide have proven effective in facilitating the connection between the employers' demand for employees and the labor market's abundant supply of a willing workforce. That is why I ask my colleagues to support this bill.

We have to do more in this Congress for U.S. workers. This is not a new program. This is not a fundamental amendment to the intent of the Act. This bill merely offers equal treatment to the Northern Marianas in giving them the chance to access funding to support our local businesses and workers in need.

TRIBUTE TO MARYK ELLIOTT-PARHAM

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 29, 2012

Ms. BONAMICI. Mr. Speaker, I rise today to recognize MaryK Elliott-Parham, who is retiring after more than two decades of service to Oregon's First Congressional District. For the past 27 years, MaryK has dedicated herself to the people of Northwest Oregon, ensuring that constituents always had a direct and meaningful connection to their government. Her tireless work and positive demeanor were a consistent inspiration to staff and citizens alike.

MaryK is a lifelong Oregonian, and graduated from Portland State University in 1978. She began her Congressional career as a caseworker for Representative Les AuCoin. Her efforts on behalf of constituents soon led to her promotion to lead caseworker. She built a staff that was renowned for its commitment to service.

During the 104th Congress, MaryK became district director for Representative Elizabeth Furse, a position she held up to the 112th Congress. She led the office, working day and night through the devastating storms and floods of 1996 and 2007, providing a critical access point to government assistance for constituents who had lost their homes and livelihoods. She was also known for her outstanding organizational efforts, helping members of Congress reach out to their constituents, developing detailed schedules and tracking every town hall and every visit to schools, businesses and community gatherings to be sure every community had access to its representative.

The loyalty and hard work of the staff and alumni of the First District are a testament to MaryK's management and leadership skills. Her first priority was always getting the job done for constituents, but her kindness and care for staff, especially in difficult times, created a network of people across the state, country, and globe who consider her part of their family.

On behalf of the constituents and staff of Oregon's First Congressional District, I want to congratulate MaryK on her retirement and wish her and her family all the best.

CONCURRENT RESOLUTION ON THE BUDGET FOR FISCAL YEAR 2013

SPEECH OF

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H. Con. Res. 112) establishing the budget for the United States Government for fiscal year 2013 and setting forth appropriate budgetary levels for fiscal years 2014 through 2022:

Ms. RICHARDSON. Mr. Chair, I rise today in strong support of the Congressional Black Caucus Alternative Budget for Fiscal Year 2013. The budget plan outlined by the CBC takes a direct and balanced approach to restoring America's promise, achieves fiscal responsibility and sets a priority to invest in our future.

The CBC Alternative Budget protects Social Security, Medicare, Medicaid, SNAP, TANF, Unemployment Insurance and other programs that are vital to the most vulnerable populations, which are in districts throughout this country.

Although our nation's economy is showing positive signs of growth, this Congress must continue to make critical investments in communities to accelerate—not stagger—our recovery.

To that end, the CBC Alternative Budget makes smart investments in education, workforce training, and transportation and infrastructure projects. These investments are necessary to ensure that America has a skilled and educated workforce that is prepared to tackle the challenges of the 21st Century and compete with attempts to take American jobs overseas.

Specifically, the CBC Budget will: invest an additional \$25 billion above the President's budget in Education and Job Training in FY 2013 alone;

provide an additional \$5 billion above the President's Budget request for housing programs, foreclosure assistance, and other important programs for community development; invest an additional \$50 billion in job creating transportation and infrastructure projects in FY 2013 alone and provide \$155 billion above the President's budget over the next decade; and

increase the maximum Pell Grant award by nearly \$1,000 over the President's Fiscal Year 2013 budget request.

The CBC Budget acknowledges the deficit and pays for domestic priorities by enacting

tax reform measures to raise nearly \$4 trillion in new revenue over the next decade through the Buffet Rule to ensure that millionaires and billionaires pay their fair share in taxes, and closes corporate tax loopholes and preferences for corporations that ship American jobs overseas.

The \$4 trillion in revenue raised from millionaires paying their fair share will allow us to pay for an extension of tax cuts for hard working, middle class Americans—providing them with more money to feed their families, pay their bills, send their kids to school and fill up their gas tanks.

The budget would open an enormous hole in our country's social safety net by largely shifting healthcare costs to seniors on Medicare, while at the same time giving millionaires and billionaires a free pass by giving the rich an average tax cut of \$150,000.

In California alone, 5,252,371 seniors would be forced onto vouchers when they retire—a system that has been shown to be a sub-standard version of Medicare.

The GOP budget will force seniors to pay higher premiums in order to access the same benefits they would receive under the current system. For a typical 67 year-old senior, the Ryan budget could increase out-of-pocket health care costs by \$5,900.

The GOP budget would decimate our primary assistance to the poor by cutting \$3.3 trillion from needed programs like Medicaid and Supplemental Nutrition Assistance Program.

In fact, a report conducted by the Center on Budget and Policy Priorities found that 62 percent of proposed cuts in the Ryan budget plan come from programs that assist low-income individuals. This is the Republican vision: to balance the budget on the backs of the seniors and the poor.

The Ryan budget once again fails the test of balance, fairness, and shared responsibility. It takes a slash and burn approach to the budget, rather than going line by line to carefully examine where cuts and new sources of revenue should be implemented.

The Ryan budget plan would weaken job growth. The Economic Policy Institute found that if we were to follow Chairman RYAN's proposal, 1.3 million jobs would be lost in 2013 and 2.8 million jobs would be lost in 2014.

Mr. Chair, the CBC Alternative Budget has a better way. We understand that our current economic situation calls for a balanced and responsible approach that protects our fragile recovery and invests in our future.

For these reasons, Mr. Chair, I urge my colleagues to join me in voting for the CBC Alternative Budget.
